Time

Times of our lives have been spent here.
They have been happy, fun, good, and bad times.
Remember when we were freshmen,
Just starting out, not really knowing what
Was happening.
We were like lost deer, not knowing where to turn.
Then we aged and matured a year and were
Sophomores, ready to face everything.
We hadn't a care in the world, all we cared about
Was the fun.
Next came our junior year when we began to
Realize how close the future was,
But yet how far. Now was the time to plan for
What lay ahead.
1979-80-----the finale. Then we were seniors.
Where did all the time go? Now it is in the past,
But the memories will always be there.
The future is now a reality. We are going to be
Setting out into the world. Are we ready?
We will all go our own ways. Some will remain close
And always cherish the unbroken friendships.
Others will drift away like lost ships and forget.
But we are all members of the class of 1980--this we all share.

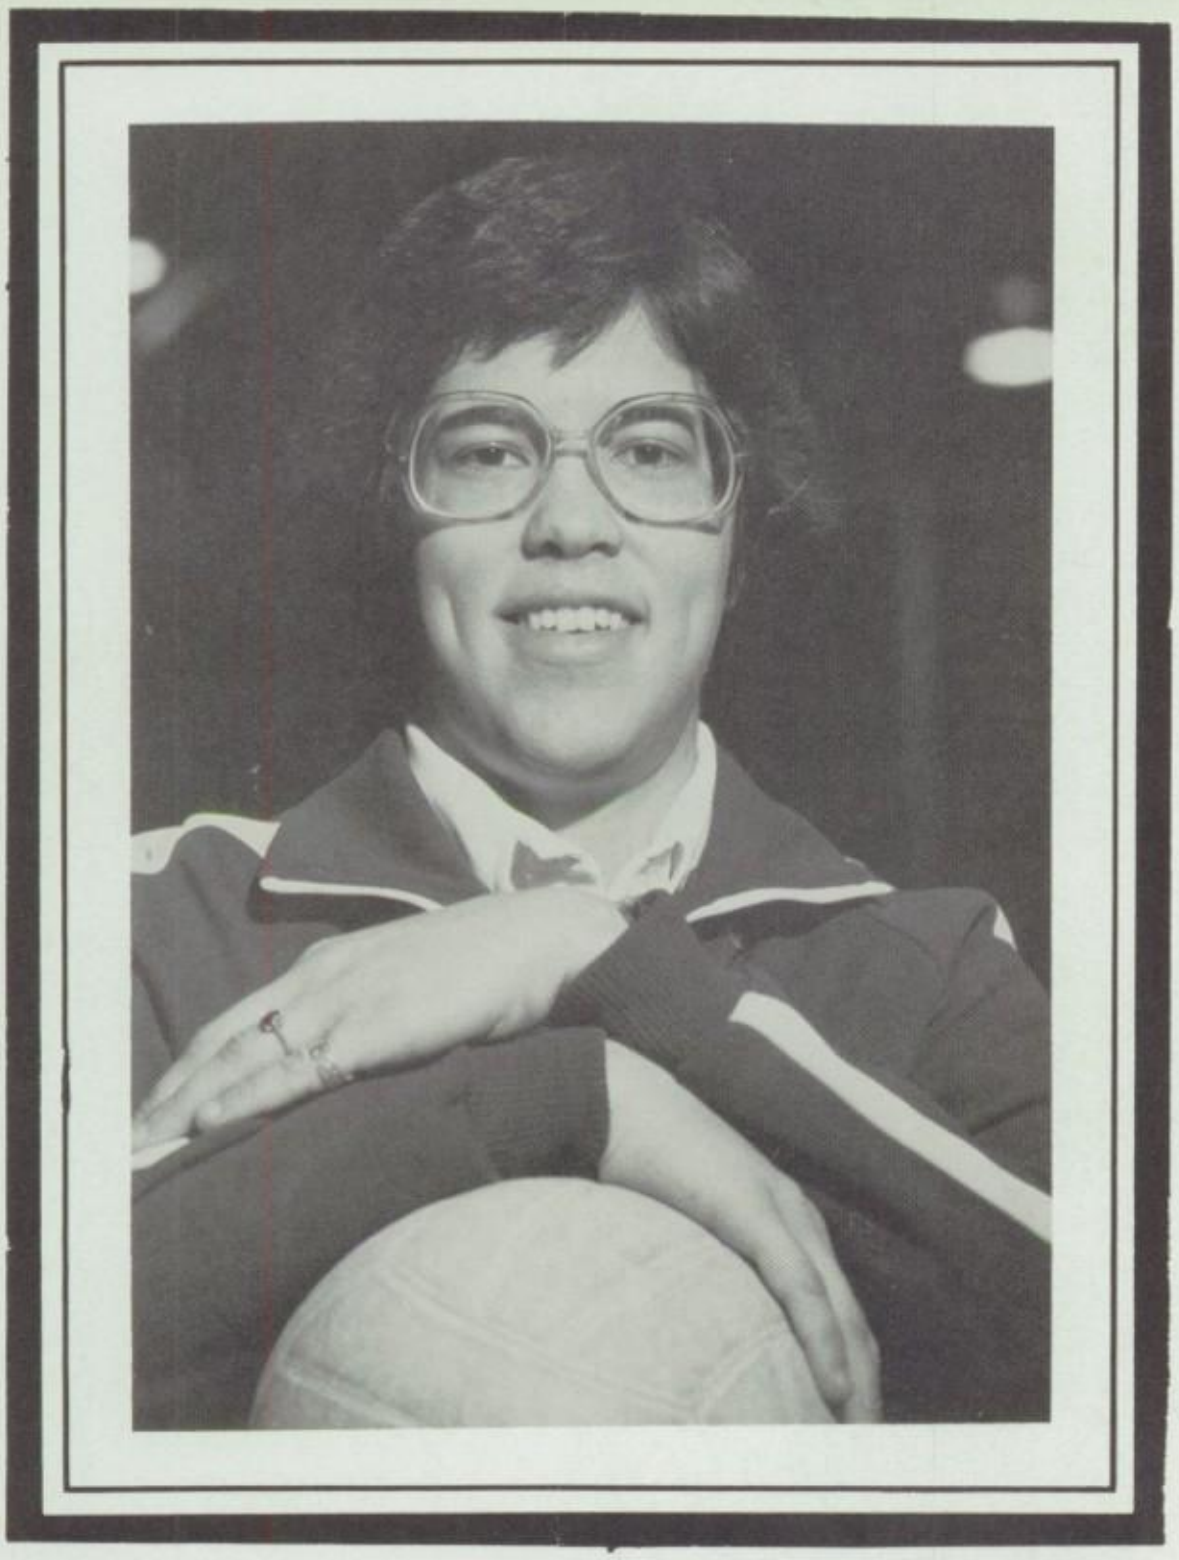
As students of Potosi High School, we obtained more than knowledge from the faculty. In a small school, such as ours, we grew to know our teachers personally. Some of our teachers have been here for years, others are new to Potosi. They have a wide variety of personalities, which influenced us and helped us to learn how to deal with ourselves and others. The teachers were always willing to help students on a one to one basis. Many were involved in extra-curricular activities. The teachers put forth extra efforts to make our school clubs and functions successful. High school was more than the mastering standard academic subjects. We were indeed fortunate to have had a faculty as understanding and dedicated to help us prepare for the times ahead.



IN MEMORIAM

CATHERINE DROZYNSKI

Though she was with us only a short time we grew to know her as a fine teacher, coach, and person.

Miss Drozynski was a 1979 graduate of the University of Wisconsin-LaCrosse, where she received her bachelor's degree in physical education. While at LaCrosse she was listed on the dean's list each semester and was a member of the Delta Psi Kappa Honor Society. She was also a recipient of the Gund Scholarship Award.

Miss Drozynski was the physical education teacher at Potosi High School and she also coached volleyball and junior varsity basketball. This was her first attempt at teaching and coaching and she displayed superior qualifications.

She was not just a teacher and a coach but also a very caring and understanding person. She not only worked with her players as a coach, but contributed special advice and help when needed. She was liked and respected by both her students and colleagues.

Time will pass but our fond memories of Miss Drozynski will stay with us.

parties, games, and
other special events.
They were all part of
our high school life.
Now we are ready to
face the adult world.

for we have put in
long hours of hard work
in preparation.
We are all setting out to
reach our ultimate goals.
We the Class of 1980 leave

It was a time to remember as the Seniors celebrated their homecoming on September 29, 1979. Although they lost their Homecoming game to Highland 12-28, their spirits were brightened at the dance with music being provided by BULLIT.

September 29, 1979 was the night of the Junior Skit. The theme for the skit this year was "Thursday Night Live". It was enjoyed by faculty, students, parents, and friends.

The Faculty as well as students worked very hard for homecoming week and all were rewarded for their fine efforts by the sight of the colorful and spirit filled Homecoming Parade.

The team was in a huddle, the coach shook her head, they all got together, and this is what they said; "WE'RE GONNA GO, WE'RE GONNA FIGHT, WE'RE GONNA WIN...TONIGHT."

The team accomplished, with the fine coaching of Cathy Drozynski, a good season. New ideas and techniques contributed much to the playing and the Chieftains posted a 3-5 record for the season. Also, for the first time in years the team went on to sectionals.

With the inspiration of Coach Drozynski the team put out a full effort at all times.

Members for the National Honor Society are chosen on the basis of their scholarship, character, leadership and service. A student is eligible to join at the beginning of their sophomore year. Scholarship determines whether you will be considered for membership, but character and service determines whether you will be chosen as a member. The new 1980 members chosen were: Darla Engleke, Matt Harman, Connie Keene, and Laurie Maahs.

Y.T.Y.--Youth Tutoring Youth. The students who need help, tutees, range from kindergarten to senior students. The students who give help, tutors, range from fourth graders to seniors. Reading is the first area of greatest demand followed by math. All of the other content areas relate either to the math or reading aspect of improving classroom skills.

Tutors are trained to help a child want to learn and to enjoy learning. They volunteer to work with other students during study halls. About half of the high school tutors have tutored previously and plan for this as part of their schedule each year.

Gary Wolfe--President

Library Club members took time out from their daily schedules to assist our librarian, Mrs. Holler . . . taking care of the desk . . . checking books in and out . . . keeping the library an attractive place with mobiles, posters, and bulletin boards appropriate for the season.

A library may be regarded as the solemn chamber in which a man may take counsel with all who have been wise, and great, and good, and glorious among the men that have gone before him.

The exciting day finally arrived--our Prom date, April 21, 1979. The gym was decorated to the theme "We've Got Tonight". Many long hours of hard work were put in to make our fountain and chandeliers a success. A pre-prom dinner was enjoyed at the Timbers in Platteville. Following the dinner we enjoyed dancing to the music of "Eclipse". Walking through the tunnel, our eyes were filled with the magical colors of white, pink, and blue streamers. Announcing the court were Mistress Chris Pluemer and Master Jesse Schaal. The crowning brought tears to Patty Kittoe as she was crowned Queen of the 1979 Prom. Chris Morshead had that surprised "Who Me?" look as he was crowned King. The dance ended too quickly but with good memories. Following the dance a party was held at Michelle Friederick's with many juniors, other teens, and parents attending. Then to breakfast at Audrey's Restaurant and, as the sun rose, everyone slowly departed for home. The memories of this special night will remain with us forever!!!

TIME - - - -

The time for the Class of 1980 to say goodbye to Potosi High School. Our class motto "We are not afraid of tomorrow, for we have seen yesterday, and we love today" expresses the thoughts of all members of our class. We are not afraid of tomorrow, because we have worked hard and our prepared to go into the adult world. We have seen yesterday--it has influenced us. We love today--it is our chance to set out on our own and utilize the knowledge and training we received the past four years. It will not be easy; it will require fortitude and strength to survive in the ever-growing and ever-changing world. But we the Class of 1980 will enter the future determined and ready to face whatever comes our way.

A TIME TO HONOR

MRS. EVELYN REINECKE

Mrs. Evelyn Reinecke, also known as Mrs. R., has been a teacher at Potosi High School for the past 25 years. Her dedication to the field of teaching should be well recognized. She has put many long and industrious hours of work in here at Potosi and has contributed very much to the progress and development of the students.

Through the years she has been the Business Education teacher here at Potosi and has demonstrated her fine teaching abilities. Classes she teaches include Accounting I & II, Shorthand I and II, Typewriting, and Office Practice. Besides teaching she has put in time as a class advisor, FBLA advisor, annual staff advisor, and many other various school activities. She has not only done much for the school, but also for the community. She is always active in community projects and functions.

Mrs. Reinecke is known throughout the area for her Business Education Program. Graduates from her classes speak highly of her and admire her not only as a teacher but as a person. Many students commented that because of the thorough education they receive from her constant motivation, they graduate prepared for the challenges of the future business world.

A teacher such as Mrs. Reinecke is surely in a position to be honored. For she is deserving of all the recognition given to her for her everlasting contributions to the field of teaching.

MRS. JEAN SMITH

For the past 25 years, at Potosi High School, we have had a very dedicated and outstanding art teacher. Mrs. Jean Smith devoted herself wholeheartedly to the art department and the annual Art Show.

Many long hours and hard work were put in to provide the students with opportunities to try crafts of all sorts.

Organizing the Art Show each year, Mrs. Smith and the Art Club members worked for a success.

Mrs. Smith will always be remembered as a great teacher and person, by her students and fellow faculty members.

From this.....

Friendship

Concern

Knowledge

Dedication

What is a teacher?
Dedication?
Knowledge?
Responsibility?
Caring?
A Friend?
All of these.
But most of all
a teacher is a
PERSON.
Just as you and I
a teacher is a very
special person.
Without these people
where would we be?
How would we
gain our knowledge?
So remember each
time you see a
teacher
say hello
to that PERSON.

Responsibility

Caring

Remember when!

To this.....

People who show
Dedication,
Caring,
Knowledge,
Friendship.
Who does this
describe?
A teacher!
Teachers need
recognition for
their abilities
and accomplishments

Enthusiasm

just as a student.
Twenty-five years
of service is
due time for
recognition and honor,
so to Mrs. Reinecke
and Mrs. Smith we
say thanks to you
and all you have done.

You've Come A Long Way!
